**Butler + Burke Presents Dalton L. McMichael Scholarship
To Kalyn Hamilton of Stoneville**

WINSTON-SALEM, N.C. (JUNE 22, 2009) – Butler + Burke, L.L.P., a full-service accounting firm based in Winston-Salem, has awarded the Dalton L. McMichael Scholarship for Excellence to Kalyn Hamilton of Stoneville. The \$1,000 scholarship, presented annually, is available to high school seniors at Dalton L. McMichael High School in Mayodan.

Kalyn will attend Wake Forest University this fall. Her interests and abilities are diverse, ranging from literature to medicine and music, but Kalyn has not determined a college major yet.

“Butler + Burke established the scholarship program in 2003 to assist young people with the resources needed for a college education, allowing them to reach their full potential and achieve their life goals,” Jane Potter, a partner at Butler + Burke, said. “We admire students like Kalyn and the previous winners of the McMichael Scholarship who strive for excellence, and we are pleased that we can assist them with the costs of their college education in this tangible way.”

During high school, Kalyn was on the honor roll all four years and received the Einstein Award as well as the Superintendent’s Scholastic Achievement Award. She also received the Band Director’s Award and the Marching Band Leadership Award. Kalyn took many honors and AP courses, and she participated in numerous extracurricular activities, including playing in the Marching Band for four years (one year as Woodwind Captain and two years as Drum Major).
