Cheers to Foothills Brewing!

Foothills Brewing, located on 4th Street, has been brewing a variety of delicious hand-crafted beers in downtown Winston-Salem since 2004. It is Winston-Salem's first and only micro-brewery. Foothills offers six standard brews and up to four seasonal varieties (from a selection of more than 10 seasonal beers). In addition, Foothills Brewing serves a tasty selection of food options for lunch, dinner, and late night snacks.

Locally brewed beer ensures that the beers served at Foothills are always thirst quenching and fresh. Brewmaster Jamie Bartholomaus uses only the highest quality ingredients to create such best-selling varieties as Salem Gold or Pilot Mountain Pale Ale. A true beer aficionado, Jamie is happy to give tours of the brewery to beer lovers who want to see how Foothills beer is made.

If you want to learn even more about beer, you can go to "Beer School" at Foothills. It's a great way to spend a Saturday afternoon, only costs \$10 and includes lots of product sampling. Find out more about Foothills Brewing at www.foothillsbrewing.com
