**Butler + Burke Presents Dalton L. McMichael Scholarship
To Alexandra “Lexi” Mabe**

WINSTON-SALEM, N.C. (JUNE 10, 2024)—Butler + Burke, L.L.P., a full-service accounting firm based in Winston-Salem, has awarded the Dalton L. McMichael Scholarship for Excellence to Alexandra “Lexi” Mabe. The annual \$1,000 scholarship is available to high school seniors at Dalton L. McMichael High School in Mayodan.

During her time at McMichael High School, Mabe was secretary of the Leo’s Club, which completed several projects throughout the community including park cleanups and tree plantings. She interns at Huntsville Elementary School with the school’s speech pathologist and also works every summer as a K-5 camp counselor at the Madison/Mayodan Recreation Department.

In addition to her school and extra-curricular activities, Mabe works at Star Pizza and is a proud big sister. This fall, Mabe will begin college at the University of North Carolina at Greensboro, where she plans to major in speech pathology and minor in American sign language. She hopes to work in the school system after finishing college.

This year marks the 20th year of the Butler + Burke McMichael Scholarship, which was established as a way to assist deserving teens in reaching their educational goals.

“Butler + Burke is honored to be able to reward high-achieving and hardworking students like Lexi and positively impact their desire to obtain higher education,” said Jane Potter, a partner at the firm. “We feel very fortunate to be able to invest in the future in this way, and it is hard to believe that this is the 20th year that we have awarded this scholarship at McMichael High School. Our best wishes to Lexi as she begins her time at UNCG this fall!”
